APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This Permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount sufficient to water 500 head of cattle and horses.

Actual construction work shall begin on or before January 14, 1929. Proof of commencement of work shall be filed before February 14, 1929. Work must be prosecuted with reasonable diligence and be completed on or before January 14, 1930. Proof of completion of work shall be filed before February 14, 1930. Application of water to beneficial use shall be made on or before January 14, 1931. Proof of the application of water to beneficial use must be filed with State Engineer on or before February 14, 1931.

Map filed Nov. 25, 1927.

Proof of labor filed February 11, 1929.

WITNESS MY HAND AND SEAL this 14th day of July, 1928.

Cancelled JUN 29 1938 because of failure of applicant to comply with provisions of permit.
